Four Lincoln Winners Clash Today

Tahiti Back in Top Form at Delaware

Gains Head Decision Over Odds-On Choice, Repetoire, In Featured Assault Purse

By **PALMER HEAGERTY**
(Staff Correspondent)

DELAWARE PARK, Stanon, Del., June 7.—Absent from the winner's circle for almost two years, Walter M. Jeffords' Tahiti returned to the scene of his only victories to account for this afternoon's featured Assault Purse. Dueling him through the stretch and failing by a head was the 3-to-5 favorite, Stanley C. Mikell's Repetoire, who was also seeking his initial triumph in more than two years. Third money went to Companas Stable's Ros Clag, who was three and one-half lengths behind the leaders.

Delightful weather, with a breeze accompanying the warm rays of the sun, lured a crowd of 14,336, and wagering was again brisk, easily exceeding the million-dollar mark following Saturday's record-breaking handle of $2,034,709. Tahiti was ridden by Sam Boulmetis and dashed the six furlongs in 1:11 to reward his backers with $9.80.

Scored in 1952 Dover

Tahiti, a four-year-old son of Polynesian—Blue Denim, launched his racing career here in 1952 by winning two races in as many starts, including the Dover Stakes. He then was shipped to New York at which point he went wrong in his lone engagement. He was idle until this year, finishing unplaced in a pair of Belmont appearances.

Trainer Oscar White had Tahiti razor-sharp for his outing in the Assault as the Jeffords' gelding forced right to the front to retain the rail position, as well as a narrow advantage over Alan T. Clarke's Jeannie C.

Repetoire, when unable to keep pace with the top two along the backstretch, was eased from behind to await an opening. Ros Clag moved from the outside, thus preventing Repetoire from taking a similar course. The Mikell racer was actually in close quarters for a half mile.

When able to move between horses entering the stretch, Repetoire moved boldly to engage Tahiti. The Jeffords' racer was not to be denied, however, and clung tenaciously to his narrow advantage through the closing sixteenth.

Belmont Candidate Limelight Sold to Mr., Mrs. W. C. Hoffman

HOLLYWOOD PARK, Inglewood, Calif., June 7.—The Belmont Stakes candidate, Limelight, was bought today by Mr. and Mrs. Walter H. Hoffman, Jr., of Rancho Casitas Company. Limelight will remain in the care of Moody Jolley, trainer of the Arthur B. Hancock stable from who he was purchased, until after the Belmont. The colt will carry the Hoffman colors in the New York race, and shortly thereafter will be brought to California, though he may be kept in the East long enough to fill another engagements or two, as he is "staked" back there and not in California. Limelight was entered in last Saturday's Kent Stakes at Delaware Park, but Hancock chose to scratch him in view of the negotiations for the transfer of ownership.

The colt is a three-year-old chestnut son of Nasrullah—Novia Puppis, by Hyperion, and was bred in Ireland by J. McGrath. He has won four of his seven starts this year, and appears to like a distance of ground. The Hoffmans plan to race their purchase and then eventually retire him to the stud at their Ventura Ranch. Ex-jockey Harry Richards is their trainer.

Hasty Road Will Confine Activities To Chicago Tracks Next Few Months

By **J. J. MURPHY**

LINCOLN FIELDS, Crete, Ill., June 7.—If, during the next couple of months, Hasty Road is to meet any of the eastern leaders in the three-year-old division, he will do so on his "home grounds." The strapping son of Roman is back in the Chicago area where he won his very first race, and owners Mr. and Mrs. Allie Reuben, of Toledo, have been reported as stating that he will remain until the conclusion of the coordinated Arlington-Washington Park sessions. Hasty Road is bedded down at Washington Park, where he will do his preliminary training before being shifted to Arlington, the next track on the Chicago circuit to get under way. His first engagement may be in the seven-furlong Warren Wright Memorial, June 26, and that will lead up to the Arlington Classic, July 17. Queen Hopeful, who accompanied Hasty Road here, will likely start in the one mile Cleopatra Handicap, July 3. Others arriving with the star colt and filly were Mister Black and Inseparable. Plans are not so definite for the stable jockey, Johnny Adams. It may be that Adams will go east to accept a mount in the Belmont Stakes. Now that Willie Shoemaker has been suspended for five days at Hollywood Park, he will not be eligible for the affair, and it could be that Adams would bob up as the pilot for the California-bred Correlation, if the latter goes.

Jockey Ken Church will fly to New York to ride Lillal in the Top Flight Handicap at Belmont Park Wednesday. He won Garden State's Colonial Handicap with the filly. Church will be back at Lincoln Fields Thursday . . . Jockey Bobby Permane suffered an injured leg on one of his Saturday mounts and canceled his engagements for Monday . . . Trainer Harold O. Simmons assumed charge of 18 horses for J. Leslie Younghusband, who races under the nom de course of the Valley View Farm stable. Simmons will attend the coming sales in New York with owner Younghusband, and they hope to add to the stable . . . Robert Carey, head of Hawthorne, is a frequent visitor at Lincoln Fields . . . Do you realize that 40 years ago last Wednesday a heat wave that took 40 lives hit Chicago? Accounts of the day read, " It is beyond anything the U. S. A. has ever experienced."

Coleman Kelly, the Irish breeding expert, was telling us that despite the victory of Never Say Die in the Epsom Derby, he believes a colt named Barton Street to be the best three-year-old in England. Barton Street is by Watling Street, an Epsom Derby winner, who was imported to this country by A. B. Hancock and died last year. Kelly adds that Never Say Die is built along the lines of Pinza, who won the English three-year-old classic last year . . . Among the press box visitors Saturday were Gayle Hayes, of the San Antonio, Texas, Express, and Douglas Campbell, public relations director of the Pure Oil Co. William J. King, executive vice-president of Wilson Sporting Goods Co., and Mrs. King were among those present . . . According to trainer Ralph Bohn, the two-year-old Ramble, owned by Joseph Kohout, bucked his shins in his last race—and will be out of action for a couple of weeks . . . About 300 members of the National Housekeepers Association were present Saturday. Hi, girls, did you clean up?

Frank Carra, the Wheeling Downs steward who is passing out stall application blanks for that track, which opens a 61-day meeting July 4, was, in the old days, known as the iron man of Harry Morrissey's starting crew. That was before the era of the gate, and the starts were made by releasing a webbing strung across the track. Carra, an assistant starter, was

Peanut Brier Closes Fast To Lead Dame Polly Home

Field' One-Two in River Downs' Opener; Whatanurse Makes Good

By **W. A. CRUSE**
(Staff Correspondent)

RIVER DOWNS, California, Ohio, June 7.—Another delightfully warm day was in order for the upward of 4,000 fans on hand for the day's sport. The track was fast throughout the day's racing and despite the normal track condition the favorite players did not fare too well in the first few events.

Kirk & Burger's Peanut Brier, a five-year-old Bull Brier mare, and jockey G. P. Ryan, turned in a spectacular stretch run to be three-quarters of a length the best of W. M. Owen's Dame Polly and jockey E. Anyon. The winner, as part of the mutuel field in the straight betting, returned $11.60 for each nominal investment.

W. Chapin's Whatanurse was the first choice of the afternoon to stand up and, with jockey Anthony Licata in the saddle, went six furlongs in 1:13⅖ and had three-quarters of a length the best of it with Mrs. M. J. Hoydic's Sir Thet in the second position. Whatanurse returned $7.40 as a lukewarm favorite and completed a $209.80 Daily Double.

Ike Bassett, central section manager of the Jockeys' Guild, was a visitor to this plant today and extremely pleased with the new jockey quarters. The latter have been enlarged considerably to make it much more spacious. A new all-tile "hot box" is another recent addition and a porch has been added for the riders' relaxation between races.

Bassett also announced the appointment of jockeys R. Correa, G. P. Ryan and W. Owen as the representatives of the Guild in his absence.

Tuesday's card is spotlighted by one rather nondescript affair which honors one of Cincinnati's larger restaurants. The event is for four-year-olds and older horses with a one mile and 70 yards staging, and eight accepted the conditions to vie for a part of the $1,200 purse.

Comprising the group are W. Fritz and C. Neddeff's My Faith, L. Madonna's Mulatto, J. Becker's Pochard, E. Albright's Massanutten, Harry Rector Jr.'s Moon of Hearts, Clye Lee's Bless Me Too, C. W. Freeman's Orphan Doc, and H. S. Mitchell's Lota King.

Pochard and Mulatto finished first and second, respectively, in a $1,200 claiming affair late in the Beulah Park session. The former was two lengths the best while negotiating the mile and one-sixteenth in 1:44⅘ over a fast track.

Go Seven-Eighths In Manteno Purse

Dads Degree, Koritza, Idle Platter, Chance Snow Set For 'Rubber' Bow to Judges

LINCOLN FIELDS, Crete, Ill., June 7.—Four winners at this meeting will have a sort of "rubber" of their own when they meet as members of the field for the seven-furlong Manteno Purse on Tuesday's program at Lincoln Fields. It will be the first time these four have met during the current homecoming meeting at this Will County track.

These four are Ar-Ev Stable's Dads Degree, John Beck's Koritza, J. & G. Hejna's Chance Snow, and T. Koonce's Idle Platter. Also contesting the Manteno with the aforenamed rivals will be W. J. Ford's Experimental and P. G. Johnson's Uncle Tom. The latter two have started at this meeting, Uncle To mfinishing second in both his races here, bowing, in turn, to Udo Reinach and Count Alex.

Koritza was the first of the Manteno field to win at this meeting, which he did on the second day, May 21, while racing for Dave Feldman's Blossom Stable. He was claimed that day by John Beck and made his first start for that Southern Illinoisan on June 3, finishing second to Clifford Lussky's filly, Tuonine. Koritz, a six-year-old gelding by Heliopolis—Newbattle, has won three races this year.

Unplaced on Memorial Day

Next to win here was Dads Degree. On May 25 this consistent four-year-old colt found another band he could trounce, winning at the direct expense of Ruthie S. and Calicut. But he was unplaced behind Legatee in his next outing on Memorial Day. Dads Degree, a son of Third Degree—Ladslady, had won at Sportsman's Park and also finished third to En Fleur and Phil D. in one of the handicap features at that track.

Making his second start of the year, the six-year-old gelding, Idle Platter, won here on May 27, beating the recent two-time winner, Fancy Gent, Legatee, and others. In his first start of 1954, which was at Lincoln Fields on May 21, Idle Platter was unplaced behind Silver K. The gelded son of Platter—Idle Playmate won seven races last year, and also placed seven times.

Chance Snow, four-year-old gelding by Cassis—Snow Maid, won a race at Oaklawn Park, Hot Springs, by seven lengths before coming to Chicago. After finishing fourth to King, Alsab Ace, and Lotasmoke on May 24 at this meeting, he won his next start on May 31, beating Mighty Moment, Old Pat, and others.

Uncle Tom had started only twice previously this season when he placed second to Udo Reinach, as above mentioned. He won at Arlington Park last year, where he was claimed for $7,500. Experimental, a six-year-old stallion by Kayteekel—Madam X., has made four unsuccessful starts this season after winning five races last year.

The Belle of America Purse for two-year-old maidens engages a band which includes three candidates for next Saturday's Miss America Stakes. These are Thomas Piatt's Lady Alorter, W. Pohn's Patill, and S. A. Alexander's Sleepy Norma. Others in the Belle of America are James Emery's Argument, B. V. Ream's War Mint, E. P. Metz' Roman Heart, David Shor's Ludlow, and Ned W. Brent's Fleet Missy.

Michigan HBPA Sponsoring Dinner Party on Saturday

DETROIT RACE COURSE, Livonia, Mich., June 7.—Dr. Harry W. Lindy, president of the Michigan division of the HBPA, announced that an annual dinner party sponsored by the Michigan division will be held Saturday, June 12, after the running of the last race in the clubhouse area of the Detroit Race Course. There will be no charge for HBPA members and their wives, and all are cordially invited to attend. Those desiring tickets may call for them at the HBPA office or by contacting your secretary, Mrs. Audrey Gabel.

All national officers of the HBPA have been invited and to date, national president Irving Gushen and Horsemen's Journal editor, Tom Sheehan, have signified that they will attend.

Stewards' Rulings

DELAWARE PARK, Stanton, Del., June 7.—The stewards issued the following ruling here today:

"Apprentice jockey Roger Conlon is suspended for 10 racing days effective Tuesday, June 8 to Friday, June 18 inclusive, for allowing his mount Westover to bear in and interfere with Eliot L. in the second race on Saturday, June 5."

Determine Victorious in Debonair
Back Hoe Proves Keeneland Bargain
Rated Coast Top Juvenile Prospect

HOLLYWOOD PARK, Inglewood, Calif., June 7.—A ripple of applause greeted Determine, smallish gray winner of the Kentucky Derby, as he stepped on the track for his first appearance since that momentous May 1 at Churchill Downs in the Debonair Stakes. The applause turned into a real ovation after he had won the Debonair in 1:22 flat for seven furlongs, winning convincingly from Lucky Martin and Rolyat. Determine was never far away from the early pace, exceedingly fast, came out for the drive, where York had to go to work on him, but he had his field beat a sixteenth out, and York did not persevere with him in the last 20 yards. Under the conditions of the Debonair, Determine conceded weight to everything in the field. We probably will see the Debonair victor go again come Saturday in the $100,000 Californian at a mile and one-sixteenth, a race in which he will face older horses. Trainer Willie Molter tells us he doesn't mind sending Determine against aged horses, especially at the weights—which sees Determine get in at 115 pounds. "It will be a long time before he gets in that light again," philosophized Molter.

▲ ▲ ▲

While Determine's victory, his eighth stake victory of the year, was pretty much expected, few knew what to expect of The Pie King, great Irish two-year-old who finally made his American debut in the Debonair. The Pie King finished a bold fourth after racing on the outside most of the way and, all in all, we thought it a most creditable effort. It was rather startling that The Pie King's connections started his American campaign in such a tough stake as the Debonair, but, as trainer Ray Bell explained, "He's now ready, and it's time we got along with him." Personally, we think The Pie King will improve tremendously with the benefit of the Debonair. He is a good horse and make no mistake about that. To return briefly to Determine, he earned some $15,100 in the Debonair, a figure which lifted his lifetime figure to $274,900. He will have about $200,000 more to run for at this meeting and, after that, one must guess. He may or may not go to Chicago and New York, but that is a bit unimportant at the moment, at least until after the Californian and Westerner are out of the way.

▲ ▲ ▲

At the moment, the leading candidate for juvenile honors of summer western racing is unquestionably Joe W. Tomlinson's Back Hoe, winner last week of the Westchester Stakes and in which he beat Calumet's highly regarded Trentonian. Back Hoe was definitely a short horse in the Westchester, and is bound to improve at least a second, according to my reckoning, over his :58 flat for the five furlongs of his first outing. Back Hoe raced himself out of eligibility for the June Juvenile Stakes of this coming Thursday, but nevertheless has three more stakes on his schedule, the Haggin, the C. S. Howard, and the $50,000 Starlet.

▲ ▲ ▲

Back Hoe may emerge as a monument to the ability of Joe Tomlinson of Toronto and his trainer, James S. "Lexington Jimmy" Jones to see through so-called defects and take a chance. But let Jones tell the story: "We were at the Keeneland sales, and saw this colt by Education in the consignment of the late young Tom Piatt. Everybody else saw him, too, but most of the buyers didn't give him a second look once they got a glimpse of his hocks. They were pretty boggy. However, Mr. Tomlinson and myself took time out for a more complete appraisal, and, eliminating the hocks, he was a horse of quite some substance, big and blocky, what you folks in the West could call a quarter horse type.

▲ ▲ ▲

"He looked like a horse who would have plenty of speed. Mr. Tomlinson and I talked a lot about it, figured that the horse didn't actually have to run on his hocks, and we got him for $3,200. I might add that his price was further cut by the fact he had sustained an injury just before sale time, a cut on his leg, another thing that soured a lot of potential buyers, but we took the trouble to check closely and in our opinion, the cut was superficial, even though it looked rather ugly. Up until the Westchester, we figured that Back Hoe was just a sprinter, but now we have an idea that he might go as far as you would want.

▲ ▲ ▲

"Back Hoe won the Westchester as if he had gameness, as well as indicating that his burst of early speed could be rated. Other than his boggy hocks, which have never bothered him, he is as handsome a two-year-old as I have seen this year. Moreover he is exceptionally intelligent, and when you get a horse of quality with speed traits, as well as the conformation that is usually associated with speed, I believe that intelligence is the key toward this kind of a horse going a distance of ground. I'm only sorry that young Tom did not live to see this horse race. Of course, it is still too early to pass any sort of judgment on a two-year-old, but from all he has shown us to date, I believe this is the best horse Mr. Tomlinson has ever owned."

▲ ▲ ▲

This corner quite agrees with John Schapiro and Joe Cascarella of Laurel that any horse receiving an invitation to the Washington, D. C., International this fall should be worthy, but nevertheless, there is a strong feeling here on the West Coast that it would be a fine gesture for Laurel to invite a thoroughbred representative from Japan. The bloodstock industry there has been undergoing its greatest upgrading in history, with the importation of both racing and production stock on a massive scale from the United States and Australia. The Japanese government, through its department of agriculture, has been a background advisor to these purchases, and has, of course, approved all expenditures. We will say that if the invitation to Japan does not come this year, it is bound to be extended in the immediate years ahead.

▲ ▲ ▲

Japan is currently engaged in one of the greatest experiments in bloodlines ever conducted, i.e., outcrossing of foreign lines upon inbred foundation stock from England, the inbreeding having been pretty much of a necessity because for a period of more than 15 years, not a single horse was shipped to Japan from abroad. Prior to the war, Japan had no money to expend upon foreign thoroughbreds. But at the same time, the Japanese are among the world leaders in the science of genetics, and their breeding program, within the limits of its potential, has not been haphazard. And as for Laurel, we think that representation from the Pacific areas would make it a far more international event than ever before.

Detroit Attendance Holds Up Well
McLennans Have Modest Md. Farm
Stanley Greene Training 15 Head

DETROIT RACE COURSE, Livonia, Mich., June 7.—The last time we were on the site of this now very attractive course the only buildings were the shacks of the construction company and the activity was centered in the earth-moving tasks of the bulldozers. Today, although it is currently thoroughly drenched with water from steady rainfall which unfortunately held off through May and became almost a habit this month, the results of the beautification program are taking permanent shape as quickly as nature permits foliage to mature. To add to the definitely depressing weather conditions the track was unfortunate to lose in a fire one of its barns and some 40 horses. Charles J. McLennan, racing secretary here, tells us that while the mutuel handle is off some, the attendance is holding up well and he is of the opinion that this reflects industrial conditions in nearby Detroit and environs, rather than a lack of interest in the sport.

▲ ▲ ▲

We took McLennan on a new tack and got some interesting news of his Cowpens farm at Townson, Md., where Mrs. McLennan, the former Mary Hirsch, is major domo. Mrs. McLennan has three mares, two of whom just returned from Kentucky where they had been sent to be bred. Merry Jester, a mare that Mrs. McLennan formerly trained, was sent to Harry Isaacs' Intent at the farm of Charles A. Asbury, while Dover Road paid a visit to the King Ranch farm's Prophets Thumb. Dover Road now has a yearling colt by High Lea. On the farm is the mare, Chinella, who is Mrs. McLennan's first broodmare. She now has a filly foal by Brookfield. Mrs. McLennan was elated to learn that Chinella's first foal, a filly by My Request who was sold to the North Downs Stable of Toronto, after wintering at Columbia, was turned over to trainer Vincent Stott and she broke her maiden and a track record at Woodbine Park. McLennan added that his wife has become a real farmer on their 165-acre place and also raises Herefords and other farm products.

▲ ▲ ▲

McLennan pointed out that this was the first year during the four-year life of this track that a stakes program had been planned to offer such features on every Saturday and holiday. Headed by the $50,000 Michigan Mile scheduled for July 10, the program includes 13 added-money features with a total stakes disbursement of $192,500. The other stakes include the $25,000 Frontier Handicap up for decision on July 24 and grade down in value to the $7,500 MRA Futurity for two-year-olds foaled in Michigan. This is the only stakes with a value of less than $10,000. McLennan noted that attendance and mutuel handle had improved each year, and if memory serves it has always held in this area that the meetings gain momentum as they advance in the season.

▲ ▲ ▲

Quartered here with 15 horses for Detroit automobile man Jerry Lynch is trainer Stanley Greene, of Leesburg, Va. Greene is from a family of horsemen, and their earliest recollection of him dates back to his teen-age period around the minor ovals in Maryland and West Virginia, and he was then already an accomplished conditioner. Topping his string here are the stakes winners, Sonic and Raintree. The former was purchased from King Ranch, but was cut up considerably while breaking from an outside post position in a mile race on the opening day of this meeting and will be on the shelf for a while. Raintree was purchased from Hal Bishop. Greene's brother, Marvin, is at ThistleDown, where he trains a public stable that includes the horses of C. B. Fischbach, of Akron; J. N. Fishback, of Madison, Va., and Allen T. Simmons, of Akron. The latter owner also operates Idle Hour Farm at Lexington. Stanley Greene has taken first call on the services of jockey Howard Craig and he plans to send some of his charges to ThistleDown at intervals to compete in feature races at the new plant near Cleveland.

▲ ▲ ▲

Waldo Andrews, vice-president at Hazel Park, is a regular visitor at this course also. Andrews returned recently from a trip to Caracas, Venezuela, where he found racing booming to the extent that the government is planning to spend some 56 million bolivas on a new modern course. The Boliva, Andrews tells us, sell for about three for a dollar. Nicolas de Las Casas, one of the first large scale operators of a racing and breeding establishment in Venezulea and a frequent visitor to Keeneland and Saratoga sales, plans to return to this country in August to inspect various race tracks and also to procure additional racing stock. American trainer Jack Labelle is leading the conditioners in the South American republic.

▲ ▲ ▲

In Brief: Jockey Larry Hansman, fully recovered from injuries sustained in a spill, reported to trainer Grover Noel who is training the horses of Henry Forrest . . . The life of one of the horses quartered in the stable destroyed by fire here recently was saved when he followed the stable mascot, a goat, from the blazing structure. He was Gold Flash who won for owner Charles Blazer on Thursday. A wag interjected that in the race the goats were all behind Gold Flash . . . Lois C. Cook is currently leading the riders here and added to his advantage with four tallies on Thursday . . . Stanley Greene is nursing an injury to his leg sustained when he slipped from the stand where trainers congregate at the seven-furlong marker during morning hours. Mrs. Greene and their 15-month son, Stanley III., are expected from their Leesburg, Va., home . . . Charles Goddard, assistant to state veterinarian F. Hugh Wilson, is undergoing a checkup at a Detroit hospital . . . Trainer A. G. "Lex" Wilson sent T. D. Buhl's two-year-old Bare Facts to the Michigan State College School of Veterinary medicine at Lansing for diagnosis of a throat ailment.

Rice Stable Shipping Four To ThistleDown Course

THISTLEDOWN, Warrensville, Ohio, June 7.—Mrs. Ala L. Rice, Chicago sportswoman, has shipped four horses to this point and they will probably see action during the coming week. It is also anticipated that her stakes-winning three-year old, Ring King, will be a starter in the Ohio Derby. Ring King won both the Cherry Blossom Stakes and the Chesapeake at Laurel this spring.

Jockey William Hartack, who rode in such sensational form in this area last season and who now is at Delaware Park, is expected to be on hand several times during this session to ride for Mrs. Rice who now has the boy's contract. Hartack, who was the second leading rider in the country las year, is once again very near the top of the list.

Mrs. Shugar Returns East

THISTLEDOWN, Warrensville, Ohio, June 7.—Mrs. Al Shugar, wife of the Marylanf, Racing Commission member, departed for her Baltimore home on Sunday. She had been the guest of Mr. and Mrs. Lois Pondfield for the past week.

Plan Rockingham Invitational Race
Will Be Carded on Bunker Hill Day
Afforded Owners Shot at $20,000

BELMONT PARK, Elmont, L. I., N. Y., June 7.—Lou Smith, who guides the destinies of Rockingham Park, has some scouts busy in these environs seeking horses for a special race on Bunker Hill Day, June 17. The race is an invitation affair at one mile with an endowment of $20,000, to be known as the Bunker Hill Handicap. One of the features of the race is that no nomination fee will be exacted but each starter will be assessed $25 to pass the entry box. This is something of a departure for special races of this type but in so doing Smith puts in action a plan that he has studied and is convinced is the proper one. The nomination fee on an invitation race, he states, is something contrary to sportsmanship and is similar to inviting a man to dinner and then asking him to bring along his own food. The scouts, busy here on the proposed event, have come up with several promises after contacting some of the leading menages stabled at the three Long Island tracks.

▲ ▲ ▲

June 17 is a Thursday and on that afternoon Aqueduct has no salient stake or handicap, the co-features being a six-furlong sprint and a distance event at one and one-sixteenth miles. The distance event will recruit starters from the ranks of non-winners of two races of $3,500 each. The sprint affair is for four-year-olds and over listed in the classified division which have not won $2,900 since March 31. Bunker Hill Day, under the conditions, appears a golden opportunity for Lou Smith and his New Hampshire track to extend invitations to owners whose horses will be idle, for on Saturday of that week the Gazelle for three-year-old fillies is the salient feature.

▲ ▲ ▲

Trainer Bobby Dotter will ship the James Cox Brady horses to Monmouth Park tomorrow. He also reported that Artismo was coming back nicely and would be ready for racing in six weeks or so. The Brady horses will later be shipped to Saratoga Springs for that meeting . . . Miss Josephine Abercrombie of the Pin Oaks Farm is due in from her Texas home Tuesday for the remainder of this meeting and part of the Aqueduct session . . . Eugene Constantin, Jr., the Dallas, Tex., patron returned to his home following a visit of several days. His horses in charge of trainer Clyde Troutt will leave for Arlington Park this week for racing there until the opening of the Saratoga Springs meeting. Following that session the fall headquarters will as usual be at Belmont Park . . . Judge Bernie Frank of Miami created no end of excitement in the clubhouse box section on Saturday, when he called for help to extinguish a blaze that had started in the flower boxes fronting the box in which he was a guest. Joe Carroll, bearing a water pitcher, headed the fire laddies much to the amusement of Danny Arnstein. Carroll weighs something over 300 pounds and the pitcher would not hold enough to quench the thirst of a pony in cold weather.

▲ ▲ ▲

Leon "Jake" Swirbul of the state racing commission made his usual week end appearance . . . Nat E. Herzfeld, former top man at Tropical Park, was among those counted for the week end . . . R. W. Fincher, the Miamian, was a recent arrival. He has a draft of horses here with Bill Shrewbridge . . . Frank Stevens, the catering man left for Saratoga Springs to help usher in the trotting horse season and inspect the upstate track.

▲ ▲ ▲

J. F. LaBoyne arrived from Los Angeles to attend the sale of horses in training to be held Wednesday and Thursday . . . Jockey Willie Passmore is due here from Delaware to ride Chevation, owned by the Foxcatcher Farm, in the Belmont Stakes. The colt is due tomorrow in charge of Dick Handlen . . . Tommy Meade, convalescing from a recent illness, made his first appearance the other day. He was bundled up in sweaters and a winter ulster . . . George Saab phoned up from Miami, he flew there on Saturday, that the new arrival at his home weighed in at six pounds 13½ ounces. The boy is the fourth in the family . . . Winner—Br. m, by Bull Brier—Peanut Lady, by Peanuts, trained by M. Crawford; bred by W. E. Charles, Jr.
IN GATE—2:33. OFF AT 2:33 EASTERN STANDARD TIME.

Start good. Won driving; second and third the same. PEANUT BRIER, away in good order and on the outside, remained with the leaders while moving in a bit closer to the rail leaving the stretch turn, responded well in the final furlong and outgamed DAME POLLY. The latter lost some ground early while on the outside and, unable to stay with the early speed, came around horses at the head of the stretch and, after coming between horses in midstretch, closed resolutely. HEATHER'S VIEW made up ground steadily and was getting to the leaders. KAPEIKA found best stride after coming out some for the drive. SASSY SUSAN tired. MISS SAMURAI quit some leaving the half-mile ground and did not appear to want to be extended through the stretch. TEDDY'S PICNIC had some early speed, but could not stay.

Scratched—92729 Vidaretta, 110; 16831 Eagle Heart, 108; (18776) Anagazandra, 113; 18439 Sir Gamble, 115; 18546 Just Abbe, 118; (18440) Lazieven, 118.

Winner—B. m, by Big Brand—Hard Lu, by Hard Tack, trained by H. W. Chopin; bred by L. Nier.
IN GATE—2:57. OFF AT 2:57½ EASTERN STANDARD TIME.

Start good. Won driving; second and third the same. WHATANURSE, alertly handled from the outset, found room to forge between horses in the early stretch, rallied to energetic handling inside the furlong marker and was best of SIR THET while fully extended. SIR THET, in good racing position early, moved up on the inside to gain prominence in the half-mile ground, attained a clear lead at the furlong marker but could not withstand the winner's final bid. CLEAR REQUEST, a bit sluggish early, came out some when set down for the drive and showed strong late foot. LOST ANGEL came extremely wide at the head of the lane and closed ground. KEL'S LOVE was strongly handled throughout. MAID OF KENT was away best but while on the extreme outside could not stay. TINTINA was in tight quarters going into the turn. CHIEF'S SIGNAL tired, as did L'AIGLETTE. IN COMMAND was outrun.

Scratched—18598 Bofaye, 110; 18794^{3} Optional, 115; 18779^{4} Mr. Monica, 118; 18967^{4} Jeanne Belle, 110; 18666 Firewood, 115; 18792^{2} Zonta Girl, 108.

IN GATE—3:21. OFF AT 3:22½ EASTERN STANDARD TIME.

Start good. Won easily; second and third driving. DOLORES K. took command almost immediately, saved ground to increase the advantage and appeared to have something left at the end if needed. HONEY BAY, slow to find best stride, came out to come around horses leaving the stretch turn, responded well in the drive, but could not get to the winner. ROSEY H., on the outside to gain prominence, was not a strong contender, though closing evenly. AIRWORTHY turned in a strong late effort. LU LU MISS faltered the last stages. IN GATE—3:46. OFF AT 3:48 EASTERN STANDARD TIME.

The latter, away fastest and on the extreme outside, followed closest to DOT'S DAUGHTER, also saved ground when clear and just missed. ETERNAL MUSIC found best stride when straightened for the stretch run and closed gamely. BROWN SCOUT was energetically handled to remain in a contending position early, then had little left in the final stages. DOT'S DAUGHTER quit. DANGER DAGGER was finished early. The others were outrun.

Start good. Won driving; second and third the same. JUDEX, under light restraint while off the early pace, responded well to circle the field midway in the stretch turn, was on the outside for the drive and wore down NAVY ACE to draw clear the final yards. The latter quickly took the lead while on the inside, withstood the early challenges of MISTAMBO, drew clear of the latter leaving the half mile ground, but was not good enough for the winner. SANDY ATLAS turned in an even late effort while getting to the tiring leaders. PORZO was on the inside of the winner while prominent early, then tired. BROKEN CROWN had nothing left for the stretch drive. MISTAMBO quit as did MASTER BRIAN.

WISE SMUG, under light restraint early, moved up on the outside down the backstretch, reached a runner-up position while coming out slightly at the head of the stretch and was strongly punished to close evenly. BOLD GAMBADO found best stride while coming between horses when straightened for the drive. TASK had little left when called on the final stages. PROUDFOOT was finished early.

FRISKY JIMMY, a forward factor early, saved some ground going into the backstretch, reached the front leaving the half-mile ground, then could not withstand the top two. JACK TAR showed some late speed while passing tired horses. MELMAR'S U. N. forced the early issue and tired. BLACK CHARGER had no excuse. FEROL S. was outrun. Start good for all but HIGH CLIMBER. Won driving; second and third the same. ENGLISH MAN, steadied while not too far out of it, found racing room between horses on the stretch turn, took the lead in the early stretch and lasted to withstand the strong late challenge of MINNIX. The latter, out of it early, came around the field to make a bid on the stretch turn, then was getting to the winner after having taken the overland route. LA SHIRL showed good late speed and had no mishap. BOY BLUE, away fastest but on the outside with the leaders going into the backstretch, held a brief lead while disposing of TERRY MINE, then could not stay in the final going. BOBBY'S DREAM tired. IN GATE—4:43½. OFF AT 4:43½ CENTRAL DAYLIGHT TIME.

Start good. Won ridden out; second and third driving. DARTING BROOK was a good contender from the start, and coming resolutely in the last eighth, passed VIGOR and was not seriously threatened by NO TRICKS, although hustled along to the end. NO TRICKS raced well to improve his position in the last eighth and finished well. VIGOR showed good speed in pacemaking and widened nearing the stretch turn, but faltered in the final drive. CAJUN QUEEN dropped back suddenly nearing the far turn, but went well thereafter. BULL HIEROCLES was unable to outrun VIGOR while racing on the inside in the first part and, although saving ground on the stretch turn, dropped back gradually in the last furlong. MIMADA was outpaced.

Scratched—19430^4 Faithful Ring, 111.

Overweight—Carol's Joy, 4 pounds; Mimada, 1; Woodfellow, 1; Fleet Reward, 1½.

IN GATE—5:09½. OFF AT 5:09½ CENTRAL DAYLIGHT TIME.

Start good. Won easily; second and third the same. RIVAS went to the front at once and soon drew into a long lead, then raced well and was never in danger of being caught. MYSTIC CHIEF came steadily through the stretch to pass SLIP O' NED and hold ALS BOURDON. The latter was outrun early, then came wide in the stretch to finish fairly well. SLIP O' NED saved ground, but weakened. ALHAMPERED was badly outrun. SECRET IMPULSE stopped badly after going half the trip.

man and My Ethelyn, the favorite, was unplaced.

William Hal Bishop saddled the winner of the second in the three-year-old filly, Darlin' Ann. Leslie Wickel, fully recovered from his recent slight injury, was up and hustled his mount along from the start to beat George Schreck, while Miss J., the favorite, was out of the money. Darlin' Ann completed a $77.20 Daily Double.

Jockey William Carroll rode his second winner of the afternoon when he scored with the extreme outsider, Lady Dekover, in the seven-horse fifth race, which was at six furlongs. Lady Dekover, racing for Tracy Bougon of New Orleans, shot to the fore early and was never headed, although Snow Sox, who was second, made a game try in the stretch.

Lady Deckover paid $48.80. Tenacious Ace, the favorite, finished next to last.

Record 650 Persons Attend Annual Aqueduct Clambake

AQUEDUCT, L. I., N. Y., June 7.—A record 650 persons attended the fourth annual Aqueduct clambake in the track's paddock area Sunday afternoon. Although the skies were threatening all afternoon, the weather did not put a damper on the crowd's appetite, with 40 bushels of clams, 350 chickens, 750 lobsters, and 1,200 ears of corn, among other delectables, consumed.

Music was provided by Vincent Lopez and a segment of his famed Hotel Taft orchestra.

Hosts at the affair again were Aqueduct president Cyrus S. Jullien and general manager Edward L. Kilroe. Aqueduct begins its 24-day summer meeting June 14.

The affair was attended by race track officials, owners, trainers and newspapermen and their guests, who again pronounced the clambake a rousing success.

Polemos Seeks Sophomore Event; Sprint Engages Princess Trace

scored over Mad Hare, Black Bantam, War Token, Our Kite and Hit the Spot in 1:39⅖. Before his shipment from Florida the Grandview Stable colt visited the Gulfstream Park winner's ring on two occasions after vanquishing good company in a pair of one mile and one-sixteenth outings. He also posted a "three-four-two" record during his 1953 campaign.

While Polemos certainly holds a royal chance for victory in the Tuesday twin headliner, he must turn in a sharp performance to chalk up his fourth success of the current season. In the overnight field named to oppose him are Thomas F. Devereux's homebred Gaylon, 101; G & G Stable's My Fault, 113; William E. Britt's Narajo, 113; Willis & Harris' Uncle Bernie, 113; Grace Kosiba's locally owned Fast Traffic, 111, and A. P. Schiro Jr.'s Princess Polly, 114 pounds. The apprentice allowance is claimed for Gaylon and Fast Traffic.

Little Billy Phelps, who scored his initial saddle success here earlier in the meeting, will have the mount on Gaylon in the River Rouge Kiwanis, and apprentice Johnny Rotz, presently top reinsman at the Detroit Race Course, may handle Fast Traffic. Pat Milligan is engaged for Princess Polly. Manuel N. Gonzalez was named on Narajo, Robert Lee Baird will be at the reins on My Fault, and no jockey had been named late today for Uncle Bernie.

Princess Polly, a Brown King-sired filly, is slated to make her Motor City debut in the River Rouge Kiwanis, and her morning trials have been impressive enough to catch the eyes of local clockers. Winner of a three-quarters mile event at Suffolk Downs in April, the Schiro Stable filly followed that conquest with a well-deserved triumph in a one mile and 70 yards overnight test at the same course May 15, stepping along in a commendable 1:44⅗ over a fast but slightly dull strip.

Mrs. George C. White's Princess Trace, who will be guided by jockey Cook, and Theodore D. Buhl's Bee Lee Tee, with clever Carroll Bierman up, probably will come in for the major share of "tote" support in the Allen Park Kiwanis Purse. Princess Trace finished second to Fiddle on May 28 in the three-quarters mile Fenkell Purse, and Bee Lee Tee won an overnight event May 27, then placed behind Blackamoor June 2 in a sprint offering contested on a heavy track.

The G & G Stable will start Barshoe in the Allen Park Kiwanis. William Strong's silk are to be carried by Nickie's Boy, Everett Lowrance is to send out the hard-hitting Mock Battle, and Jerry Lynch will depend on Raintree. Jockey Howard Craig is engaged for Raintree, Baird will handle Barshoe, Forrest Kaelin drew the mount on Nickie's Boy, and Tommy Barrow may guide the New Orleans-owned Mock Battle.

Trainer Hopeful Colt Will Show Better Effort in Belmont Stakes

evident during the training hours that he was at least a possibility. The Goya II. colt, who was withdrawn from Thursday's sale because of tendon trouble, breezed a slow mile and a quarter in 2:15 this morning, going evenly all the way and appeared "racing sound" at the conclusion of the trial. The colt breezed six furlongs on Saturday.

Robert S. Lytle's Correlation, who is the third of the Belmont question marks, was to have breezed Sunday morning. If he did, it was before 5:30 a.m. The Californian, who was narrowly beaten by Hasty Road in the Preakness, then bore in badly from the start of the Jersey Stakes and finished sixth, has been getting X-ray treatments here at Belmont Park, but is a probable for the classic mile and one-half.

Many local horsemen believe that King Ranch's High Gun, winner of the Peter Pan, will confirm this victory in the Belmont. Max Hirsch's charge came out of that slowly run nine furlongs in fine fettle. It is possible that he may have a running mate in the filly, Riverina, who worked an impressive mile in 1:39⅖ this morning. However, this daughter of Princequillo is more likely to be reserved for the Delaware Oaks in which she will meet those of her own sex.

At this writing, the Belmont field is expected to come from High Gun, Porterhouse, Correlation, Goyamo, C. V. Whitney's Fisherman, Greentree Stable's Diving Board, Mrs. J. R. H. Thouron's War of Roses and, possibly, Foxcatcher Farm's Chevation. The latter colt won the Kent Stakes at Delaware Park on Saturday and scored in a mile event at Belmont Park before that, winning both races by daylight. He carried only 108 pounds in the Kent, to 123 on War of Roses, who had won the Jersey Stakes in his previous outing, but beat Jim Ryan's charge by seven lengths.

Maine Chance Farm's Jet Action and Greentree's Palm Tree virtually eliminated themselves from the Belmont by bad races in the Peter Pan and Kent on the week end. Outside possibilities for the championship test include C. T. Chenery's Prince Hill, Greentree's Dream of Glory, Ogden Phipps' Privacy, Wheatley Stable's Full Flight, Woodley Lane Farm's Red Hannigan and Mrs. Thouron's Christmas Gift.

Explanation of Racing Form Indexed Entries and Past Performances

Condition of track in indexed entries is fast or good unless shown by the following abbreviations: sl, slow; sy, sloppy; m, muddy; hy, heavy.

× Good mud runner. * Fair mud runner. ⊗ Superior mud runner.

"f" after final odds denotes field; "e" after final odds denotes entry; ▲ denotes favorite in race; § three pounds apprentice allowance; * five pounds apprentice allowance; ¶ six pounds apprentice allowance; ‡ seven pounds apprentice allowance; ⁂ ten pounds apprentice allowance.

Following horse's name, (M) indicates maiden on flat and (MJ) indicates maiden steeplechaser.

Class of race is denoted by the following abbreviations: Mdn, maidens; AlwM, maiden allowance; Alw, allowance; AlwA, graded allowance; AlwS, allowance stake; HcpO, overnight handicap; HcpA, graded handicap; HcpS, handicap stake; Wfa, weight-for-age; WfaS, weight-for-age stake; ScwS, scale weight stake; SplWS, special weight stake; Comb, combination race; SplW, special weight; Mtch, match race. Some of these abbreviations also are used to denote steeplechase and hurdle races. In such cases an S in a single bracket, [S, is used for steeplechases, and H in a single bracket, [H, indicates hurdle events.

Claiming races are indicated by price after jockey's name. Optional claiming races are indicated by a superior letter "o" immediately preceding or following the claiming price. The superior letter "o" preceding the claiming price indicates that the horse was not entered to be claimed. A superior letter "o" following the claiming price indicates that the horse was entered to be claimed. Claiming price for today is given after trainer's name; "c" before claiming price indicates horse was claimed. Imported horses shown after breeder's name. Post position is shown after jockey's name. When horse breaks from outside the gate his original post position will be shown in a circle, thus: ⑥

Combination races are same as optional claiming races.

Figure given after claiming price is speed rating.

Last line in past performance gives horse's latest workout.

Best time of each horse since January 1, 1951, at the distance entered, is shown in the indexed entries. No record is given horses beaten more than fifteen lengths.
